This Support Book and Audio Pack accompanies Access Spanish, the major new language course for today’s generation of students. Whether you are learning for leisure or business or working towards a curriculum qualification, Access Spanish will give you a thorough grounding in all the skills required to understand, speak, read and write contemporary Spanish from scratch.

THE PACK CONTAINS:

- two Audio Cassettes or CDs featuring a wide range of listening materials
- a Support Book with transcripts of the recordings and answers to the exercises in the Student’s Book.
